---

We surround all forms of life with infinite love and compassion.

Especially, do we send out compassionate thoughts to those  
in suffering and sorrow,

to those in doubt and ignorance, to all who are striving to attain truth,  
and to those whose feet stand close to the great change called death,  
we send forth all wisdom, mercy and love.

May the Infinite Light of Wisdom and Compassion so shine within us  
that the errors and vanities of self may be dispelled; so shall we  
understand the changing nature of existence and awaken into spiritual  
peace.
